Introduction

Montessori Australia is the leading organisation promoting Montessori education in Australia. We support schools, educators, and families to ensure every child has access to high-quality Montessori learning. Our approach spans all life stages, fostering independence and self-esteem. We provide resources, events, and guidance, working closely with the community to highlight the benefits of Montessori education. Explore our website to learn more about how we can support your Montessori journey.

Our Objectives Are To:

- Promote confidence in authentic Montessori environments: Ensure children and families across Australia have access to genuine Montessori settings.
- Support continuous reflection and development: Encourage staff to engage in ongoing self-assessment, leading to quality outcomes for children.
- Elevate Montessori's profile within government: Highlight Montessori's contributions to quality education and care to gain recognition from governmental bodies.
- Assist leadership with compliance: Aid leaders in meeting National Quality Framework standards, ensuring continuous improvement and professionalism.
