

Unleash Your Potential with Montessori Australia

Discover a world of possibilities for your Montessori school, centre, or organisation. Join Montessori Australia today and tap into our collective knowledge, experience, and passion for Montessori education. Together, we can shape the future of education and empower generations to come.

Join the National Peak Body for Montessori and unlock the possibilities for your school, centre, or organisation. At Montessori Australia, we are dedicated to advancing the Montessori approach and supporting its practitioners. Here's how we can supercharge your Montessori journey:

Quality Assurance & Accreditation

Demonstrate your commitment to authentic, high-quality Montessori education through our **Montessori Registered (MR)** Program and the Montessori Registered™ symbol. Both recognise adherence to national Montessori standards and signal excellence in your programs. Become a Montessori Registered Organisation (MRO) today.

Exclusive Montessori National Curriculum

Unlock the only published Government recognised Montessori curriculum worldwide—expert-developed and ACARA-approved. This comprehensive guide empowers educators with a clear roadmap for planning and delivering Montessori learning experiences.

Vibrant Community & Collaboration

Join a worldwide network of Montessori schools and centres. Share ideas, swap best practices, and collaborate on initiatives to strengthen and grow Australia's and the world Montessori community.

Professional Development & Events

Broaden your expertise with our specialist events, workshops, forums, and conferences. These immersive experiences are designed to inspire innovation, deepen your practice, and forge valuable connections across the Montessori field.

Expert Resources & Personalised Support

Tap into a rich library of articles, bulletins, magazines, and our extensive Montessori Australia website. Enjoy timely, tailored assistance from our team, ensuring you have the tools and guidance needed to succeed in your Montessori journey.
